Request to Operate Vending Machine

REF : CIA Notice

1. Approval is requested for the installation of the following vending machines at the Foreign Broadcast Information Division West Coast Bureau:

a. One coin operated soft drink machine to be purchased and operated by the employees of the West Coast Bureau with profits to be used for the benefit of the group as a whole, and reporting to Headquarters as necessary.

b. One cigarette and one candy machine to be installed by the Santa Rosa Cigarette Service with any profits accruing to the Bureau deposited to the Treasurer of the United States in accordance with existing regulations.

2. The FBID West Coast Bureau operates twenty four hours a day and is located several miles from any shopping facilities.
